Sixth Annual PCA Riverside Region Porsche Timeline Exhibition
Saturday, September 27, 2008, Lake Arrowhead Village

The Porsche Timeline display will feature cars which illustrate Porsche's evolution over the years and contribute to telling the story of Porsche. All interested people are invited to participate. The exhibit includes placards which discuss the various model lines, and each car will have a data sheet which ties it into the overall scheme and which includes specific historical and other information of interest. Volunteer docents designated by special shirts will be available to discuss the cars with spectators and will also assist in providing security for the exhibition. This year's Porsche Timeline Exhibition will benefit the Foundation for Prader-Willi Research (www.fpwr.org) and all expenses incurred to participate should be tax-deductible.

The previous events have been highly successful. Those who have participated have enjoyed the chance to relax in a pleasant location, show their cars to members of the public and discuss the significance of the cars.
